Cycle 1 Reminders and Naming File Format

Example Organization Name: Long Beach IPA

First Submission:

- Long Beach IPA Measurement File

First Resubmission (validation failed the 1st time):

- Long Beach IPA Measurement File res1

Second Resubmission (validation failed the 2nd time:

- Long Beach IPA Measurement File res2

Reminders:

- Use the same unique Box link that was provided to you during Cycle Test 1.
- If you have lost your unique Box link, email Jose Ordonez at **jordonez@pbgh.org**

Measurement Files' Validation Email

Data Validation Results:

An automated validation email will be sent to your organization's data team indicating whether your file passed or failed validation.
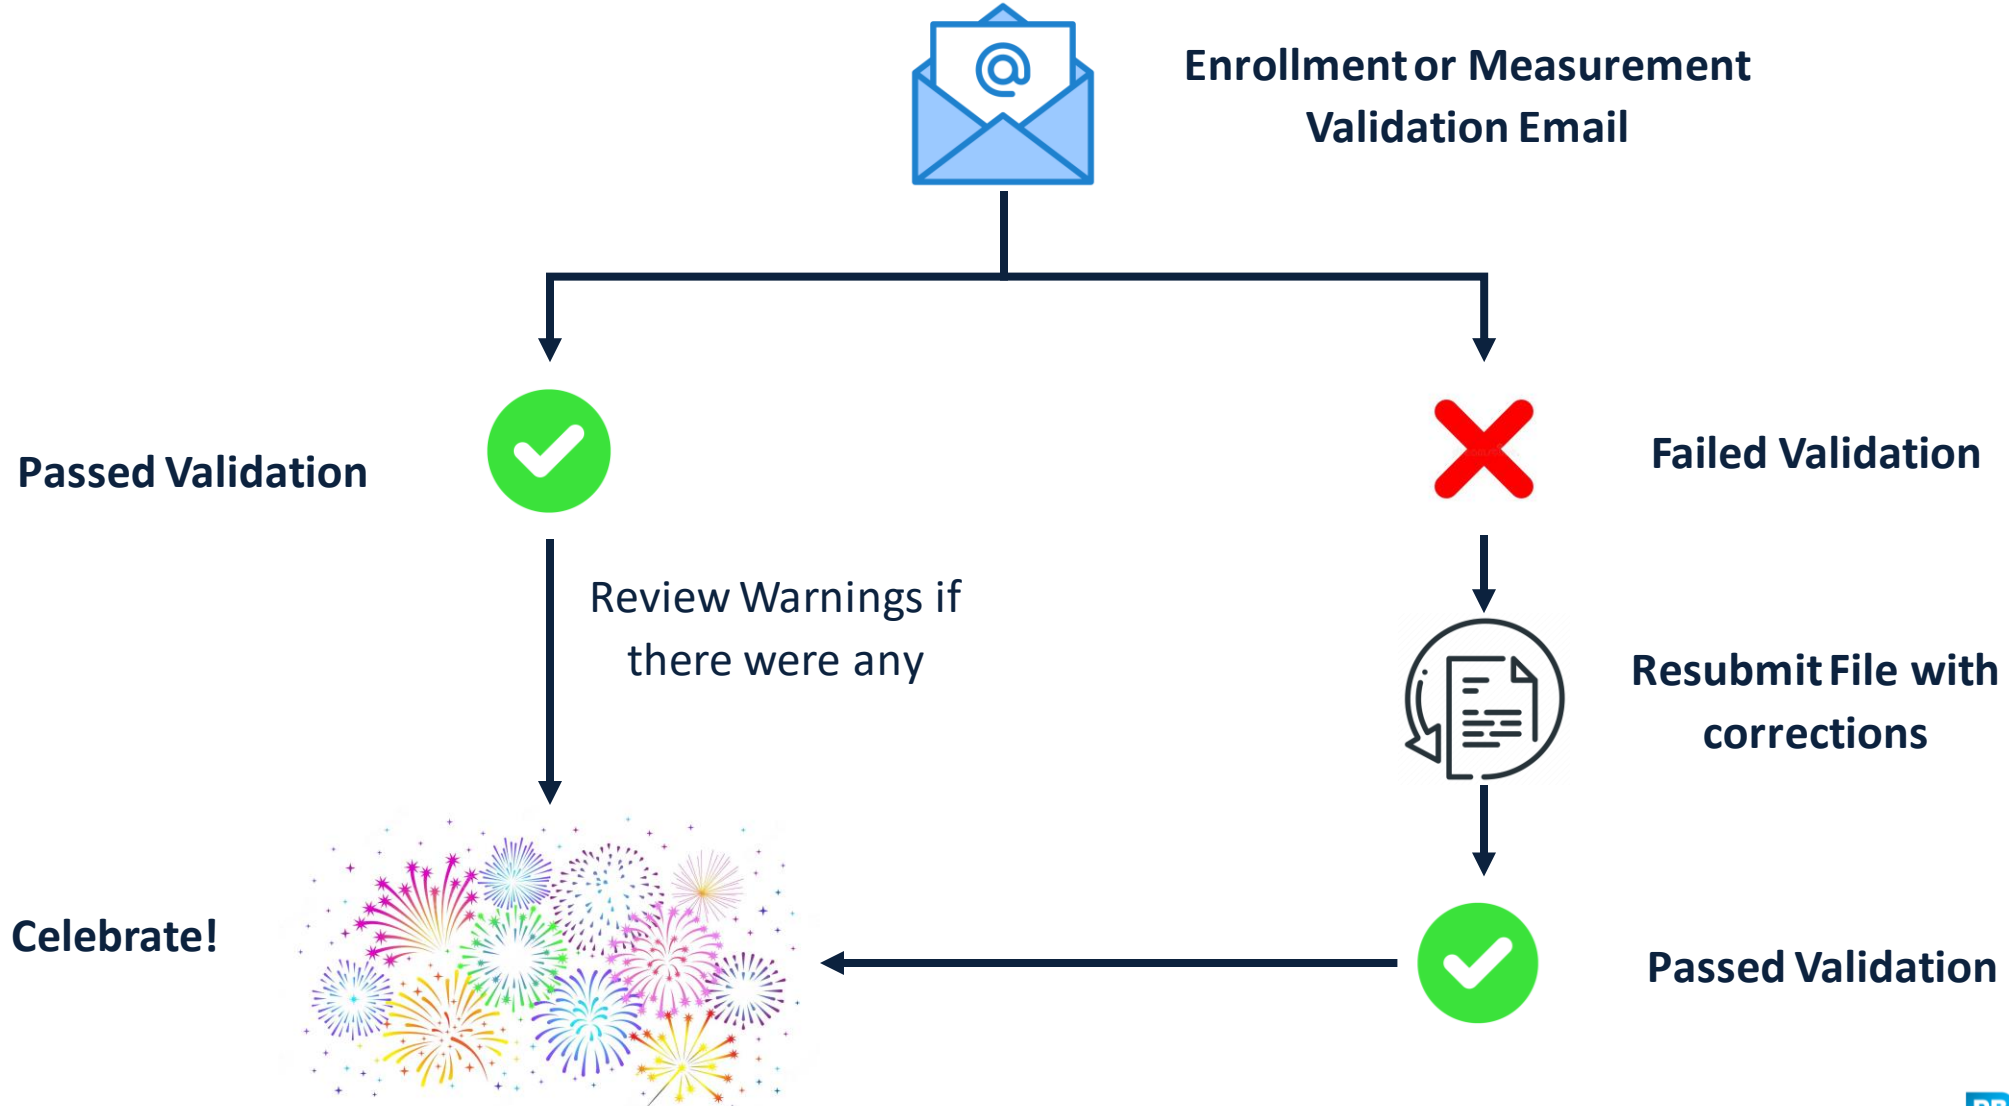

Note: During our data analysis we may find inconsistencies with your measurement data logic. **Jose Ordonez** will reach out if any corrections are necessary.

What will you find in your validation email:

Errors: An error will make your file fail validation.

Warning: A warning will make your file pass validation, but you should review your file and confirm that you have reported on everything that was agreed with CalHIVE BHI's data team.
